

The Sky is the Limit!

Multi-Engine Rating Course

The multi-engine course allows you to fly aircraft with more than one engine by adding a multi-engine-land class rating to your license.

Prior to enrollment, you must hold at least a private pilot license with *airplane: single-engine-land* ratings and a current third class medical.

Course Dates

Our Multi-Engine Rating Course is conducted year round. Please contact us for upcoming course start dates.

Course Duration

The Multi-Engine Rating Course can be completed in 2-3 days.

Aircraft

JFS operates an Advanced Aviation Training Device (AATD) and a Beechcraft Duchess aircraft for the course.

Course Components

Course consists of two major components: Flight and Knowledge areas.

Flying

This private pilot multi-engine add-on class rating is conducted under FAA Part 61 regulations and therefore has no minimum flight time requirements. The training is proficiency based and hour requirements may vary depending on students aptitude.
