

## **Jacobs Flight Services**

### **\*\*Enrollment Agreement\*\***

**Definitions:** Jacobs Flight Services, LLC (referred to as the “School”); the “student” is the participant in a structured training program conducted by the school and is more particularly described in the Student Catalog; the “FAA” refers to the Federal Aviation Administration. The Operations Catalog, Training Syllabus and Federal Aviation Regulations are available from the school for the student’s use and purchase.

**Minimum Hours:** The hours provided for in the tuition charges/quotes are the **minimum** FAA course requirement. The student fully understands that he/she may be required to take additional instruction in order to meet the proficiency standards required to satisfactorily complete the FAA written or practical test(s). The rates for this additional training will be at the below charted rates for the aircraft and flight instruction:

Make	Model	HP	Dual Rate	Solo Rate
Cessna	150	100	\$155.00	\$105.00
Cessna	172RG	180	\$220.00	\$160.00
Cessna	172K	215	\$190.00	\$140.00
Beechcraft	Duchess	180	\$350.00	\$270.00
Cessna (Tailwheel)	140	85	\$165.00	\$105.00
Piper J3 (Tailwheel)	Cub	100	\$175.00	\$115.00
Precision Flight Controls	AATD	N/A	\$107.00	\$67.00
Red Bird-FTD	TD2	N/A	\$90.00	\$50.00

*\*Sales tax applies to solo rental.*

*\*\*Fuel surcharges may apply and will be in addition to above rental rates.*

*\*\*\*Block time discounts available*

**Tuition:** The student also acknowledges that the written and practical tests are a requirement for Graduation and the FAA license is required for enrollment in subsequent courses. The written exam fee is \$150.00 or \$140.00 if you are an AOPA Member. The Designated Examiner Fee will vary upon the exam and is due in cash and paid directly to the FAA Examiner on the day of the exam.

**Terms:** The school agrees to provide the student with the resources, facilities and adequate instruction to complete this course of study in order to qualify him/her for the FAA written and practical tests.

## **\*\*Enrollment Agreement\*\***

**Prerequisites:** The student must be able to read, write, speak and understand the English language and must obtain and maintain at least a valid Class III FAA Medical Certificate. Further information regarding prerequisites and enrollment may be found in the Student Catalog. The minimum age requirements are:

Private Pilot Course: 17 Years of Age  
Instrument Rating Course: 17 Years of Age  
Commercial Pilot Course: 18 Years of Age

**Advanced Credit:** The school is restricted by FAA regulation from granting more than fifty (50%) percent of the course requirements as advanced credit as the time of enrollment when the flight time was logged at an approved school; or twenty-five (25%) percent if the flight time was logged under Part 61 of the Federal Aviation Regulations.

**Audio Visuals:** The Audio Visual presentation may be substituted for additional ground instruction at the hourly rates set forth above. The number of hours required is as stipulated by the approved syllabus and any additional hours are dictated by student performance and progress.

*The school reserves the right to adjust tuition rates before the completion of the course.*

**Tuition and Additional Expenses:** The student can expect an additional expense for charts, maps and publications. Upon enrollment, you will be required to pay a \$200.00 Registration Fee. For aircraft and instructors to be reserved in advance, there will be a deposit required.

The student may choose to pay:

1. The full tuition price for all courses in advance;
2. The price of tuition for each course at the time of enrollment; or
3. A-la-carte, in which case the flight cost must be paid immediately upon completion of flight or ground training.

*\* A student will not be allowed to continue flying on a debit balance.*

**Employment:** The school disclaims any responsibility to guarantee any employment to any student upon completion of any course agreed to herein. The school CANNOT employ anyone upon graduation unless you are a Citizen of the United States.

## **\*\*Enrollment Agreement\*\***

**Termination:** The school may discontinue training for reasons of safety, misconduct, unsatisfactory progress, irregular attendance, or violations of school or FAA regulations.

**Cancellation:** A student may cancel training or voluntarily terminate by completing and submitting a letter of request to the Manager, Assistant Manager or Admissions Office. He/She is entitled to a refund as stipulated in the Student Catalog. Cancellation of individual lessons scheduled must be made 24 hours in advance and are subject to 1-hour aircraft and 1-hour CFI time. Any FAA Exams scheduled that are cancelled WILL incur a \$100.00 cancellation fee.

**Refunds:** Upon termination or cancellation, the student is entitled to a refund as stipulated in the Student Catalog. Books and supplies may not be returned for a refund. The student must complete and sign a Request for a Refund and any monies due the student will be refunded within thirty (30) days.

**Change of Circumstances:** The student is required to contact the Business Office immediately upon change of address, telephone number or financial circumstances. This includes, but is not limited to employment, housing, visa status, etc.

**I ACKNOWLEDGE THAT I HAVE READ THE FOREGOING AGREEMENT AND  
CONSENT TO THE TERMS THERIN, I ACKNOWLEDGE THAT I HAVE RECEIVED  
A STUDENT CATALOG, A TRAINING SYLLABUS AND A COPY OF THIS  
AGREEMENT, WHICH I MAY RETAIN FOR MY OWN RECORDS.**
